## Help the Guilderland Food Pantry drive out hunger from our neighborhoods.

The Guilderland Food Pantry (GFP) has been assisting the “food insecure” in our town since 1979. Serving over 120 families, 25 seniors and 85 children every month, we fill the gap that occurs when the benefits run out or the job disappears. Last years total of 12,000 pounds of food provided the equivalent of 20,000 meals.

To meet this need we are hosting our first annual golf tournament to benefit the GFP and its clients. We invite you to join us in this effort.

The GFP’s volunteer staff is dedicated to seeing that no neighbor goes hungry. We rely totally on the support from food drives and donations from people like you.

Thank you for helping the Guilderland Food Pantry help others. Give it your best “shot” to help us “Drive Out Hunger.”
